FORMER NEVADAN PASSES AWAY

Roger Stenson, of the firm of Ryan and Stenson, yesterday received the sad news of the death of his brother-in-law, Edward Niles, who passed away at his home in Los Angeles. Mrs. Stenson, a sister of the deceased, had been called to the bedside several days ago and was en route to Los Angeles when the death summons came. The deceased was a native of Nevada, having been born and raised in the once flourishing camp of Gold Hill, near Virginia City. He was aged about forty-eight years and leaves a widow and son to mourn his departure.

PROMISE OF A RATTLING FIGHT

ABE ATTELL MAY BE PITTED AGAINST WEEKS IN TONOPAH.

Tonopah as a fight center is fast leaping into the foreground. The character of the contests pulled off lately seem to be the real article. Promoter C. W. Miller has on the cards for next month a fight between Abe Attell, champion featherweight of the world, who has just fought a draw with Owen Moran in San Francisco, and the fighting miner, Freddie Weeks, who has been whipped but once and that by Attell. Those people who have seen Weeks in the ring have no doubt but that he will make good even though that one mark was chalked up to Attell's credit. Since the time the miner last fought Attell, he has acquired considerable science, developed a harder hitting streak and a punch that is amazing. A fight of this character is sure to attract people from all sections of the United States. A telegram to both Attell and Moran elicited a response from Attell that he was ready to do battle with the Tonopah man.

In speaking of his former defeat by Attell, Weeks yesterday stated the cause was that he was too weak from making the weight, but now he could make the required weight without an effort and believed he could fight at a lighter weight than Attell.

GREAT INTEREST IS MANIFESTED

WILLIAM J. BELL BACK FROM THE EAST—SAYS NEVADA IS ALL THE TALK.

William J. Bell, a former resident of Tonopah, has returned to this city after an extended visit through the eastern and southern states. He reports great interest in the mining situation in Nevada and believes that the confidence of the people will not be lost. Mr. Bell is interested with Charles Kiehlhofer and Letson Balllett in the Tom Boy claim at Gold Reef and is also interested in a townsite in that district, which has just been surveyed and platted. Several companies in the east have been organized to work the properties there and while money is necessary, Mr. Bell says that the money raised by them will carry on extensive development work. The townsite which has been laid off is an admirable one. There are 480 lots in the townsite and each lot is thirty-two by 100 feet and those interested in the enterprise guarantee that the streets will be graded and other improvements made in a short time.

SIXTY DAYS IN THE BASTILE

W. C. Connell made his appearance in Judge Brissell's court yesterday morning on the charge of malicious mischief. Connell was charged with having broken several windows and screen doors in the lower end of town and consequently his honor thought it proper that he be placed where there are no glass windows and screen doors, so gave him sixty days in the county jail.

DO YOU KNOW

That from October 1st, 1907, to June 1st, 1908, a period in which occurred the greatest financial disturbance experienced in the United States in fifty years, not one National Bank in Nevada, California, Idaho, Montana, Oregon, or Washington, was forced out of business by the stringency.

Is not a bank financially strong and sufficiently resourceful to have escaped the extreme effects of the panic of last fall worthy of your confidence?

Why not open an account with the "National."

ED. NORTH IS FEELING HAPPY

ARRIVAL IN FAMILY OF BABY IS CAUSE FOR REJOICING.

LOS ANGELES, Sept. 9.—R. P. Dunlap, Tonopah: Seven and one-half pounder last night. Looks like a girl. Mother comfortable. Signed E. D. North.

The above dispatch received in this city yesterday announces the fact that E. D. North, the popular attaché of the Montana Tonopah Mining company, is the father of a baby. In his wild delirium and his ecstatic bliss, this being his first born, he states in the telegram that it looks like a girl. Six months from now when Edward is hitting the high places at 3 a. m., trying to hush baby into the land of nod so that he can tear off a few hours' sleep himself, the sex of the child will not make much difference to papa dear. For the next two months, while the nurse has charge of baby, Ed can be exercising his vocal chords and getting them down to the point of where baby will not throw a convulsion fit when he starts to warble: "Hush little baby don't you cry. Or I will spank you bye and bye."

COMMISSIONERS DO CONSIDERABLE WORK

AMONG OTHER THING THEY ORDER COVERING OF SHAFT THAT IS MENACE.

The board of county commissioners were in session yesterday and beside allowing a great number of bills transacted considerable other business.

They levied a special tax for the Round Mountain school district of \$1.50 for every \$100 valuation. This is in addition to the former tax.

Voting precincts were established at Lodi and Silver Bow in response to petitions from the districts.

They also authorized the covering over of the shaft at the intersection of Bryan and University avenues with a good substantial material. The town will pay half the expenses incurred and the Jim Butler Mining company the other half.
